

Chippewa Falls Area Unified School District Press Release

FOR IMMEDIATE RELEASE

May 2, 2024

Inspire Support Learn

Earlier today a school bus carrying six Chippewa Falls Area Unified School District 4K students to school experienced a brake caliper issue requiring the driver to use a fire extinguisher on it. There was no fire on the bus. The school district worked closely with the bus company and fire personnel to evacuate the bus and safely transport the students to school. Smoke never entered the cabin and there were no injuries.

CFAUSD appreciates the efforts of everyone involved to keep our students and staff safe.
