CHI HI EQUESTRIAN TEAM WINS 10th STATE CHAMPIONSHIP TITLE

Chippewa Falls Senior High School's Equestrian Team proudly brought home the State Champion Division A trophy for the 10th straight year! With a team in Division A and Division C, 19 riders competed in 19 events for a total of 83 rides over 3 days in Madison's Alliant Energy Center. Coach Cara Schueller said, "It was a great weekend for our teams. There was good competition all around. Every rider on both of the teams placed in at least one event and each had a ride where they stepped it up a notch from previous events. We are especially proud that our program has had the strength and longevity to maintain our seat at the top in the large team Division A for 10 years in a row. That is a testament to the work ethic of our youth and a commitment to youth in this Chippewa Falls area community."
