### **CHIPPEWA FALLS AREA UNIFIED SCHOOL NAMES INTERIM HUMAN RESOURCES AND PUBLIC RELATIONS DIRECTOR**

Jenny Starck has been secured as the interim replacement for the Executive Director of Human Resources and Public Relations position and will begin that position on February 1st. Ms. Starck has previous knowledge and experience in the District that will allow for a smooth transition and little disruption during this interim period.

She understands the District's current priorities and has already established relationships with many staff members. This will help maintain momentum on key initiatives while we conduct a search for a permanent Executive Director. We anticipate having a permanent director in place by the start of the next fiscal year on July 1, 2024.

We are fortunate to have someone of Ms. Starck's caliber to serve in this important role during the interim. Please join me in welcoming her as we continue to focus on meeting the needs of our students, families, teachers and community members. I am confident her leadership will be valuable as we search for a new leader to fill this vital position.
