FOR IMMEDIATE RELEASE

Inspire Support Learn

STEAM Open House Wednesday, February 28, 2024 from 5pm – 8pm at Chippewa Falls Senior High School, 735 Terrill St., Chippewa Falls

The Science, Math, Tech. Ed. and Art Departments along with Chippewa County Economic Development Corporation & TTM Technologies will host our 8th STEAM (Science, Technology, Engineering, Arts and Mathematics) Open House on Wednesday, February 28, 2024. Our goal is to connect students to STEAM careers in the Chippewa Valley. This is a **FREE** open house, and we would like to extend an invitation to anyone in the community.

Invitations have gone out to numerous businesses, educational and government institutions as well as individuals within the community. These various employers and organizations will host booths to share how & why STEAM is utilized in their given fields.

PURPOSE:

- to promote what Chi Hi is doing in Science/Technology/Engineering/Arts/Math to enhance post-secondary readiness and close the skills gap.
- to showcase STEAM related post-secondary options and careers in the Chippewa Valley.
- to connect our students to employers and the community at large.
