Guided Tour of Door County Maritime Museum

Located along Sturgeon Bay's working waterfront, this museum showcases the area's rich maritime roots. Hard-working anglers, brave ship captains and lonely lighthouse keepers are some of the personalities you'll discover in the galleries of the museum. In addition, the Jim Kress Maritime Lighthouse Tower features ten floors of interactive educational exhibits that highlight more history.

Door County Trolley Tour

This fully guided tour features stops at two lighthouses, the Baileys Harbor Range Lighthouse and Eagle Bluff Lighthouse. We will also take a scenic tour atop the 225ft Limestone Bluffs, eat lunch at the English Inn Restaurant - with cherry pie for dessert! A stop at the Wood Orchard Market, known for their extensive array of all things local, for a little souvenir shopping will wrap up before heading to the trolley station.

Peninsula Players Theater - Steel Magnolias

This beloved and moving comedy chronicles the lives and friendships of six marvelously different women who support each other through triumphs and tragedies. They congregate every Saturday at Truvy's beauty shop to ponder the mysteries of life and death, husband and children - and hair and nails!
