

CONSCIOUS DISCIPLINE® PARENT EDUCATION 4-WEEK WORKSHOP

OCTOBER 4, 11, 25 & NOV. 1
5:30 FAMILY DINNER - 6PM WORKSHOP

ABOUT THE WORKSHOP:

Elementary Age Focus - Learn the tools to help you stay calm enough to see a child's misbehavior and upset as a signal to teach instead of punish. You'll learn evidence-based strategies for teaching social-emotional life skills to children. This involves a perceptual shift to help access higher centers in the brain in order to problem solve, empathize, teach, and learn.

This event is free to all parents, guardians or anyone who cares for children! We recommend attending all sessions but it is not required.

Heidi White will be presenting the workshop. She is a Conscious Discipline Certified Instructor.

*Open to anyone, regardless of faith background and is not a faith-based workshop.

FREE FAMILY DINNER
served at 5:30pm with
Certified Conscious
Discipline® Instructor
from 6-7:30pm.
