DO YOUR BEST - HAVE FUN DOING IT

The best way to find out what you do best is to do it. Catch a fish. Ride a bike. Set up a tent. Build a Pinewood Derby® car. Shoot a bow and arrow. Cub Scouting offers boys and girls the opportunity to see and learn fun, new things that can't be found anywhere else.

FAMILY FOCUSED - VALUE DRIVEN

Cub Scouting is a year-round program uniquely designed to meet the needs of young boys and girls (kindergarten through fifth grade) and their families. The program offers fun and challenging activities that promote character development and physical fitness. Family involvement is an essential part of the program, and parents are encouraged to play an active role. Cub Scouting helps parents make the most of the time they have to impact the lives of their children.
