EDUCATIONAL EXCELLENCE
For a Changing Tomorrow

Disclaimer of the Chippewa Falls Area Unified School District. The Chippewa Falls Area Unified School District from time to time permits the distribution of information about appropriate non-commercial activities sponsored by organizations. The fact that this information is distributed through the Chippewa Falls Area Unified School District does not mean or imply sponsorship of, or support of, the activity by the school system. Any problems related to the operation of the activity will be strictly between the participant and the sponsoring organization. Request for further information about the activity should be directed to the sponsoring organization.

VOYAGERS Community Learning Center

CFAUSD Voyagers Events

Community Education

Engaging and valuable classes coming this winter! Watch for the brochure on our website!

Middle Eastern Cuisine

Come and experience the preparing and tasting of an Arabic meal. The meal will consist of an Appetizer - Shaubat Adas, an Entree - Biriani Laham and Curry Al Djaj and dessert - Al Muhallabiya

Popcorn Math Night

This night will be a fun and tasty way for families to engage in math activities.

Intergenerational Quilting

Participants will learn beginning quilting by constructing a group quilt to donate to a student in need. Participants age 12+ are welcome to register for this class with an adult.

Middle School After School

Check out these impressive classes offered this winter!! Click here for brochure.

Alaska Connection

An amazing "journey" awaits students who want to learn more about the lives of their native American Eskimo counterparts in the remote village of Quinhagak, Alaska! Using live video connections, Voyager students will interact with middle school students from Kuinerrarmiut Elitnaurviat School District, located near the Bering Sea. Students will enjoy a true cultural experience including learning the Yupik language, making akutaq (Eskimo ice cream) and learning about "egg gathering" and harvesting "mouse food". Students will be assigned to long-distance "buddies" they can write to and interact with during mini-session videos. Cheese curds and other WI specialties will be shipped to the students and we'll watch as they experience our WI culture as well.

FUSE – Future U.S. Entrepreneurs

An innovative entrepreneurship challenge for middle school students. This is a competitive learning experience allows students to draw from entrepreneurship classroom lessons to create a complete business proposal and to present it to a panel of experts. The FUSE Challenge will take place during the 8th week with an extended session running from 3:45-5:30pm. Friends and families are encouraged to attend the FUSE Challenge to cheer on their students and see which small businesses will take home the top prize!

Mentor a Child– Make a difference!

Chippewa Area Mentor Program

The Chippewa Area Mentor Program is looking for mentors! Time is one of the most valuable gifts we can give children. Become a mentor and spend 30 minutes per week having fun and building a relationship with a young person. Mentoring involves being matched with a student, grade K-12, and meeting with him/her one day a week, at school, for 30 minutes to talk, play games, toss a ball, or take a walk. You'll be amazed at how just 30-minutes out of your day means so much to the child you spend it with. Contact the Chippewa Area Mentor Program for more information, or click here for an application: Mentor Application
