Fax: _____

3. Contact Information for Student Enrollment IF different from above:

Name: _____

Position _____

Address _____

Daytime Telephone _____

E-Mail _____

Fax: _____

4. Website address _____

Note: To participate in the BB4C program, a center/preschool must provide 437 hours of instructional time/year. The program year should follow the Chippewa Falls Area Unified School District calendar. Daily programming for BB4C is M, T, Th, and F from 8:00-11:00 AM or 12:00-3:00 PM. Orientation days, goal setting sessions, or student conferences may be included as part of the hours of instruction but cannot be scheduled prior to the first day of school in September.

5. The number of 4-year-old children that our center estimates on serving (2:18 or 1:9/classroom):

- a. Number of Classrooms: _____ b. Number of PM Sessions: _____ c. Number of AM Sessions: _____
d. Total Number of Students: _____

Note: Maximum number of students per classroom is 18 with a DPI certified teacher and licensed paraprofessional; 9 students without a paraprofessional. New sites can begin with one session (18 students) with the possibility to expand based upon the existing partner sites' contracted capacity and projected student enrollment. Existing Partner Sites will have the opportunity to request one

additional session each year with the possibility to expand based upon projected student enrollment.

6. Accommodations

The classroom/s used for BB4C is/are licensed for how many children?

The classroom/s used for BB4C is/are licensed for diapering? Yes No

The center and classrooms are handicap accessible? Yes No

7. New Sites, please include the following documents:

- A current copy of applicable DHFS Childcare license
- A recent copy of your Child Care Licensing Report
