

**Policy Type: Operational Expectations****Learning Environment and Transportation**

The Superintendent shall establish and maintain a learning environment that is safe, respectful and conducive to effective learning.

**The Superintendent will:**

1. Maintain a climate that is characterized by support and encouragement for high student achievement.
2. Ensure that all policies and procedures regarding discipline are collaboratively developed, appropriately communicated to students and parents, and enforced consistently using reasonable judgment.
3. Assure that all confidential student information is properly used and protected.
4. Assure the safe, efficient and timely transportation of all students to district programs for which they are eligible or that meet their needs.
5. Review school geographic attendance records periodically to ensure reasonable balance in student enrollment.

**The Superintendent may not:**

6. Tolerate any behaviors, actions or attitudes by adults who have contact with students that hinder the academic performance or the well-being of students.
7. Permit unruly behaviors on school property or at school sponsored events by students or by adults that disrupts learning or that is disrespectful or dangerous.
8. Permit the administration of corporal punishment.
9. Permit unnecessary collection of student information.

**Monitoring Method:** Internal Report

**Monitoring Frequency:** Annually in June

**Date of Adoption:** April 28, 2014
