

Policy Type: Operational Expectations**Technology**

The Superintendent will use technology to support teaching, learning and the Board's Operational Expectations and Results policies.

The Superintendent will:

1. Provide and maintain a comprehensive and functional technology infrastructure.
2. Provide technology capabilities that are useful for staff members and students.
3. Use technology to support diverse learning techniques and styles.
4. Provide a means for interactive communication between the district, parents, students and the community.
5. Provide information electronically concerning our schools and district programs and academic progress.
6. Provide a system for appropriate users to access relevant and current data.
7. Provide students with access to online instructional resources.

Monitoring Method: Internal Report

Monitoring Frequency: Annually in November

Date of Adoption: April 28, 2014
