

Wisconsin History: Extra Credit Chippewa Falls

To receive credit, you must visit 9 of the following 19 places and have your picture taken with it. You will need to display those pictures and also write a minimum of 1 full pg. (double-spaced, 12 pt.) response on what living in Chippewa Falls means to you. You may go with other students from class to do this and create one display if you'd like, but each of you will need your own typed response.

Due Thurs. June 6th

This website will give you some information on the significance of the places listed below.
