

Student Safety Contract

Technology Education Department

Chippewa Falls High School

(Print Student Name) _____, who is enrolled in (Print Course Name) _____ will as part of this lab experience be using hand tools, operating machines, and handling materials directly related to the course curriculum. Each student will be given proper instruction in the use of the equipment and all related safety procedures. As with all training, the responsibility for following the proper safety procedures ultimately must be assumed by the student. We, the staff of the Technology Education Department, place student safety as our number one priority. Therefore, we ask the students to read and sign the safety contract indicating they understand the safety procedures. We also ask the parent or guardian to read and sign the safety contract indicating their permission to allow the student to participate in the class.
