715-836-9800(studio)

Lorelei is a wonderful teacher using the Suzuki method. She does expect high parent involvement and commitment.

Teaches with the traditional piano method...again, and wonderful teacher.

Deb Lang - Suzuki Piano

18751 64th Ave (Wissota Woods)

I have not met Deb, but have heard very good things about her teaching. She is certainly in a good location for Stillson families.

Esther Pedigo

Another Chippewa option...another fine teacher.

Brian Hilson

I believe Brian will come to your home if that works better for you.
