

6th Grade Orientation Nights

Do you have a 5th grader who will be going to the middle school in the fall? If so, there are some upcoming events for you to know about!

The middle school principal, Sue Kern, and counselor, Kara McClean, will be visiting the 5th graders at their elementary schools to provide information about the middle school as well as their music options for 6th grade. These visits will take place in January.

If your child is interested in playing an instrument, the middle school will offer an Instrument Preview Open House Night on January 16 from 6:00 – 8:00 pm in the large commons at the CF Middle School.

Two orientation nights will be held for 5th graders in February. The nights will include general information about the middle school, course selection materials, and a self-guided tour. Please plan on joining us on one of these evenings.

Monday, February 5, at 6pm

or

Tuesday, February 6, at 6pm

In the latter part of August, the middle school will host an Open House opportunity. This day your middle school student and a parent or guardian will be asked to attend, so mark your calendar. This day, students get their pictures taken for their photo ID, complete needed paperwork, walk their schedules, bring in school supplies and try their lockers.

The open house day will be:

Thursday, August 23

12:00pm to 6:00pm

The first day of school is called WEB Day for 6th grade students! WEB Day is a specially designed day just for incoming 6th graders and their 8th grade mentors. This is a high energy day that includes an assembly, team building activities, a building tour, and a schedule run of their school day.

We are SO EXCITED about our new incoming 6th graders who will join us next year.

Sue Kern
Middle School Principal
