Dear Parent(s) / Guardian(s) of 5th Grade Students:

Jerim DesJarlais
Assistant Principal

Thank you to those of you that were able to join us this week for our 5th grade orientation event! It was wonderful to see you and all of our future Cardinals!

Please view this [presentation](#) that guided the welcome and introduction to the middle school for your reference.

If you were unable to attend, please take a moment to view the presentation with your child to learn important information about your child's transition to the middle school. Your child's packet is located at the CF Middle School front office for pick up this next week if you didn't attend.

Please be sure that you turn in your yellow course registration form located in your child's folder indicating your child's music choice. This information is critical for the development of our master schedule for the 2018-19 school year.

If you have questions regarding your child's transition, certainly feel free to reach out to me!

In Partnership With You,

Sue Kern, Building Principal
