

Music Department Open House

All the 5th grade students are invited to come to CFMS to try all of the Band and Orchestra instruments. After trying the instruments, the families will register for the top three instruments that their student is interested in.

If a student's top choice is percussion, they will also need to attend the Percussion Auditions on Thursday, January 18th in the CFMS Band Room at 6:00 p.m.

Families will be notified before the February 5th or 6th CFMS Registration Night on which instrument and/or group to sign up for.

Mrs. Johnson, our Choir teacher, will also be here on the 16th to answer any questions concerning Choir.
