As part of our PBIS "*Pay It Forward*" campaign for the month of February, Chippewa Falls Middle School is working to raise **\$1,000** to donate to the Special Olympics so we can take the Polar Plunge together on February 25th.

WE WILL BE "FREEZ'N FOR A GOOD REASON!"

Students at CFMS earn Cardinal Credits by demonstrating safe, productive, responsible, and respectful behaviors. Students have been given the option to "pay forward" their credits for a good cause.

Our goal is to reach 2000 donated credits by February 16th.

When the goal is reached, we will draw 5 names from the donated credits. Those students will have the option to either take the plunge with the plunge team, or select one of our willing staff members who will take the icy plunge for them.
