Prepare yourself for a tour like no other! What you will experience is by far the most enjoyable and authentic way to view the island. Our tour will include a visit to Fort Mackinac and will end at the famous Grand Hotel, where we will experience their deluxe lunch buffet. After lunch, you can walk off your meal with a self-guided tour of the mansion and grounds before heading downtown to shop and explore.

Soo Locks Boat Tour

Immerse yourself in the incredible spectacle of the Soo Locks as you experience both an up-bound and down-bound lockage. Get up close with mighty freighters, marveling at their sheer grandeur against the backdrop of the historic Sault Ste. Marie shoreline.
