Parent/Caregiver and Child Activities:

Sensory-Friendly Play & Learn | Monday, October 19th, 10 - 11:30am, at River Source Family Center.

Adapted play space for children and adults with sensory sensitivities including less noise, lights, toys, and a smaller group.

* Registration required to keep group small - call 715.720.1841 or email riversource@fscf.org *

Itty Bitty Playtime | Wednesday, October 7th & 21st, 10 - 11am, at River Source Family Center.

Playgroup for parents/caregivers and their littles (0 - 23-months-old). Connect with other families and learn about your child's development!

Play & Learn | Thursdays, 9:30 - 11am. at River Source Family Center.

You and your child(ren) will enjoy free play, crafts, story time, and making new friends! Come and experience learning through the eyes of your child.

Speech, Language, and Hearing Screener | Thursdays, October 1st -and- November 5th 9:00-11:00am., at River Source.

This screening is for families with children ages 2-5 years old. Screenings will be done by UWEC graduate student clinicians. After 15 minute screening, results and recommendations will be shared. This is free event.

Rural Story Time | Once per month in Bloomer, Cornell, and Stanley. Connect with families in your community and take a book home!

October 12th: 10 - 11am. DR Moon Library, Stanley

October 26th: 10 - 11am. Cornell Library, Cornell

Bright Starts | Call 715.720.1841 or email riversource@fscf.org to set up a time to meet.

You are your child's first, and most important, teacher! This program builds on your family strengths, explore child development activities, and support your child's growth through learning. Visits can take place at home, River Source play space, or other community spaces.
