

FALL 2023

BACK 2 SCHOOL

CHIPPEWA FALLS AREA UNIFIED SCHOOL DISTRICT

Welcome back for the 2023-2024 school year! I am excited to officially welcome everyone back to Chippewa Falls Area Unified School District in September. As we move forward into the upcoming school year with providing quality public educational services to our community, there are a few important facets surrounding our efforts to keep in mind:

- * Our primary focus is always on student learning. We are committed to providing rigorous and engaging instruction that meets the needs of all learners. We know that our students are growing in their skills, knowledge, and educational experiences, in and out of the classroom setting- we have the evidence to show it. We are proud of the progress our students have made, and we are excited to see what they will accomplish in the coming year.
- * Shared vision of learning that is bolstered by Special Education services that cascade throughout the CFAUSD: There are a couple of reasons why it is important to enhance this vision of learning. First, it is the right thing to do. All students deserve the opportunity to learn and succeed, regardless of their background or abilities. Secondly, when all students are able to learn and succeed, the District as a whole benefits. The world is becoming increasingly complex, and students need to be prepared for the challenges of the quickly evolving modern age.
- * Enhancement of our Educational Technology Department's collaboration with teachers: They will work together to improve upon tech skills that they integrate into their lessons and content over time. This will help to ensure that all students have the opportunity to learn skills they need to be successful in the modern age.
- * The importance of collaboration: As indicated in this past year's Community Conversation, we will need to continue our work together as a community to ensure that all students have access to a quality education. This includes working with families, businesses, and other organizations to provide support for our students.
- * The rising cost of inflation: The State's biennial budget provides replacement for federal COVID-19 dollars, but does little to address inflationary increases. This means that the District will need to continue to find ways to offset the rising costs of goods, utilities and services.

CFAUSD is a flourishing school district with a bright future. We have faced challenges in the past, but we have always come out stronger. I am confident that we will continue to overcome our challenges and continue to provide a high-quality education for all students. We have a dedicated staff and a supportive community, and we are all working together to ensure that our students receive the best possible education with the resources we have available to us. Thank you for your continued support of Chippewa Falls Area Unified School District... and enjoy the rest of the summer to the greatest extent possible! We look forward to seeing everyone back in the Fall!

Jeff Holmes, *Superintendent*

Show your #MightyCardinal Pride!

The 2023-2024 school pennant will be handed out at each school during their open house and during the Pure Water Days parade on August 12th! Snap a photo of your Mighty Cardinal student on the first day of school holding their pennant and submit it to socialmedia@chipfalls.org to be featured on CFAUSD's Facebook page!

WELCOME!

Tim Johnson, Executive Director of Human Resources & Public Relations

I am very excited to be joining the Cardinal Team as the Executive Director of Human Resources & Public Relations. With 28 years of teaching and leadership experience in education, I bring my passion for serving students, staff and the community to CFAUSD. I most recently served as the District Administrator for Glenwood City over the previous 10 years. During my years in education, I have learned the incredible value that the adults, working with students, make in supporting, encouraging and challenging student growth. I strongly believe that relationships serve as the foundation for success.

My wife Tammy is a kindergarten teacher for the Baldwin-Woodville Area School District. One of her passions in education is supporting literacy and she recently completed an additional licensure program as a Reading Teacher. We have two daughters. Jatelyn, 22, will begin her career next year in New Richmond as a first grade teacher. Allaina, 17, will be a high school senior and is looking forward to the fall volleyball season. Our family enjoys the outdoors and relishes time spent on water-related recreational activities.

When asked about strengths of the district, the interview team expressed appreciation for the support of the community, collaboration with a strong staff, and working within a family-friendly environment. I have been impressed with my time thus far in the district with how friendly and welcoming everyone has been. I am excited by the positivity and look forward to contributing to its continuance. I am looking forward to our partnership together with the ultimate goal of helping each student reach their desired goals and full potential. I value others and appreciate the contributions they provide. Please feel free to reach out if I can assist you in supporting our District.

Cardinal Care Mental Health Supports

The Chippewa Falls Area Unified School District has partnered with REALiving and Group Health Cooperative to offer a Student and Family Assistance Program (SFAP) to help students, parents/caregivers, and their families to be their very BEST both at school and at home! This program, offered at no cost, will provide up to four free counseling sessions AND EITHER four free parent coaching sessions OR four free youth coaching sessions to each family in the school district.

Parent coaching is an additional support for families interested in implementing positive changes in their home. Parent coaches provide tools, ideas, and support; they are not providing therapy. This service provides parents/caregivers with hands-on strategies and is customized to each family. Parent coaching can take place in the home or virtually.

All services are confidential. Students and/or parents may contact the REALiving Call Center at 855.838.7170 to seek authorization or ask questions about these services 24 hours per day, seven days per week! Contact Shannon Larson the district's Mental Health Navigator at mentalhealthnav@chipfalls.org for assistance. Contact Jamie Ganske, the Director of Mental Health and Resiliency, at ganskejl@chipfalls.org with any questions.

MEETINGS Regular meetings are held monthly as designated on the board meeting calendar and are open to the public. All meeting dates are posted and start at 7:00 p.m., unless otherwise specified, in the District Office Board Room, 1130 Miles Street.

AGENDAS Agendas are posted on the school district website under District and Board of Education. Hard copies are available in the district office, library, and city hall.

MINUTES The minutes are published on the school district website under District and Board of Education and in the Chippewa Herald.

ADDRESSING THE BOARD To address the board residents may sign up on the sheet that is provided at 7:00 p.m. at the entry table.

GOVERNANCE Coherent Governance is a results-oriented framework used by the board to ensure a system focus on our school district's vision and results policies. Both our school district's vision and our results policies are based on authentic community feedback. Through our Community Conversations, we have opened clear lines of communication with community stakeholders, and we have embraced community feedback and embedded it into our operational expectations and results policies.

For more information regarding members, Governing Policies for Educational Excellence, agendas and information (Boarddocs), definition of meeting types, and annual notices visit the Board of Education page on the school website: cfsd.chippewa.k12.wi.us. Board Meetings take place on the fourth Tuesday of every month at 7 p.m.

Monthly School Board meetings are now broadcast via live stream

NEW BUS INFORMATION:

Student Rerouting Requests and More

The Chippewa Falls Area Unified School District and Chippewa Yellow Bus have been accommodating families with student rerouting requests for over 50 years. A rerouting request form that is filled out at the Chippewa Yellow Bus Company allows a student to ride a bus somewhere other than their home, as long as the request does not add time or distance to the route and 24 hour notice is given. Student rerouting requests continue to grow yearly; to ensure safety of the children please follow these rerouting rules.

* All student rerouting requests originate at Chippewa Yellow Bus Company. Please contact the bus company at 715.726.2454.

* Each family will need to create a consistent weekly schedule for the school year that is in place by the first week in August. Families will be required to provide a calendar identifying dates, or busing will be denied for alternate location. Families should also create an alternate release schedule in the event school closes early.

* Transportation will be provided to the 4K centers, Tiny Tree Academy, and Boys & Girls Club of the Chippewa Valley when logistically possible.

* Rerouting requests need to stay within the school attendance boundaries. Requests for families with more than one home, in-home daycares, and other situations will need to be within the student's school attendance boundary.

* All student rerouting requests require a 24-hour notice and approval by the bus company. This includes one time, or occasional requests.

The Chippewa Yellow Bus Company will send information to your home regarding bus stop locations, morning pick-up times, and afternoon drop-off times. If you have not received bus information by mid-August please contact the bus company at 715.726.2454.

TOP 10 BUS RULES

1. Be at the bus stop 5 minutes early.

2. Respect the bus driver and listen to instructions.

3. Take your assigned seat right away after boarding the bus.

4. Stay seated at all times.

5. Always get on and off the bus at your bus stop.

6. Get off the bus carefully, using the handrail.

7. Keep your head, arms, legs, and hands inside the bus.

8. Before crossing the road to get to the bus, be sure to wait for the bus driver's signal to cross over to the bus.

9. Wait for the bus 10 feet off the road or on the sidewalk.

10. Keep away from the bus if you drop or forget something.

Remember the danger zones.
