

Finding A Network Dentist

Faster, easier, friendlier — that’s the way everyone wants information. At Delta Dental of Wisconsin, we’ve made our dentist directories accessible through the Internet and our toll-free phone line.

Delta Dental has over 100,000 participating dentists in our networks across the United States. In Wisconsin there are more than 2,400 network dentists. That means more than 80% of Wisconsin dentists are associated with Delta Dental.

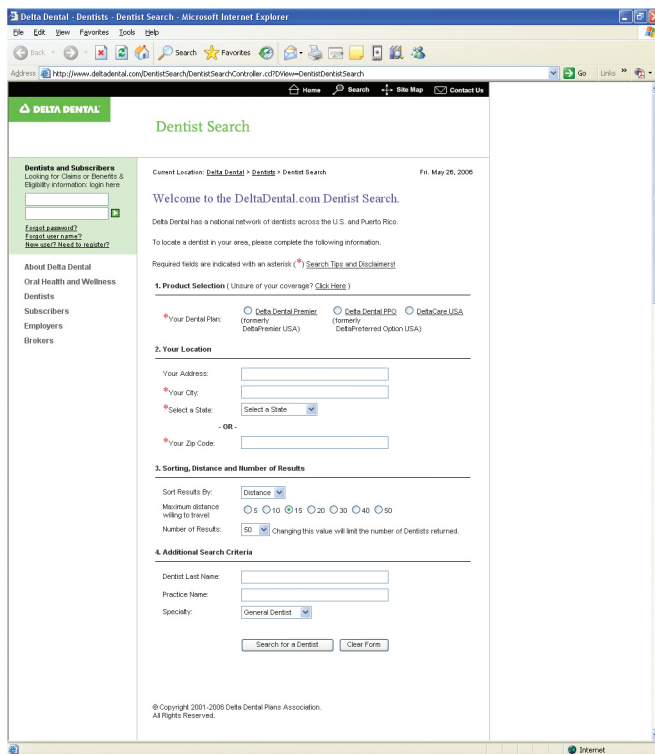

By Telephone

To access our dentist directories from a touch-tone phone, call **800-236-3712** and follow the automated instructions. Participating dentists are searched by ZIP code. The name, address, and phone number for each dentist will be listed in alphabetical order.
