

Halmstad Hawks'

Summer Learning Challenge

BE FIT. BE CREATIVE. BE SMART.

THE GOAL: To challenge students to be active learners during the summer.

THE CHALLENGE: Students engage in the four areas of literacy, math, fitness, and music/arts at least 50 days during the summer.

THE REWARD: BE FIT, BE CREATIVE, BE SMART, and have chances in drawings to win theme-filled activity baskets.

If your child chooses to take the challenge, use the attached calendars to record his/her activities. After completing a literacy, math, fitness, or art/music activity, he/she may color in the ☺ on that day. At the end of each month, record the number of activities completed.

Drawings for the baskets will take place at the end of the Summer Learning Challenge.

- 50 colored ☺ in literacy = 1 literacy basket ticket
- 50 colored ☺ in math = 1 math basket ticket
- 50 colored ☺ in fitness = 1 fitness basket ticket
- 50 colored ☺ in art/music = 1 art/music basket ticket
- **50 colored ☺ in ALL 4 areas = 1 bonus ticket for basket of choice**

Here are some suggested activities that would work towards meeting the challenge.

To print more calendars, visit the Halmstad website: <http://cfsd.chipfalls.k12.wi.us/halmstad/parents/hmslc.cfm>

Literacy	Math	Fitness	Art/Music
<ul style="list-style-type: none"> • Read a book, magazine, etc. • Read a recipe or game directions • Visit a library or museum • Write a letter • Send an email • Write in a journal • Make your own book • Make a grocery list 	<ul style="list-style-type: none"> • Practice math facts • Have a lemonade stand • Do a puzzle • Conduct a survey and graph it • Use a ruler to measure things • Help make cookies • Take your money to the bank • Play a card game 	<ul style="list-style-type: none"> • Go for a walk or a bike ride • Go swimming • Play a sport • Run through the sprinkler • Go to a playground or a park • Do yard work • Clean your room • Ride a scooter 	<ul style="list-style-type: none"> • Visit the Heyde Center • Build a sandcastle or a sculpture • Create a portrait with natural objects (rocks, sticks, etc.) • Have a karaoke contest • Write a song about summer • Listen to the sounds in nature • Play an online music game

At the end of the summer, record the **TOTALS** below. Return ***this paper and the calendars*** to your child's teacher no later than September 7, 2018.

_____ (child's name) _____ (fall grade level)
 participated in the Summer Learning Challenge. He/she completed:

_____ # of literacy days _____ # of fitness days
 _____ # of math days _____ # of art/music days

_____ Parent or Guardian Signature
