

Parkview Kindergarten Supply Kit 2018-2019

Parkview gives the kindergarten students all the supplies they will need for the year for a fee of \$17.00. As a parent, you know that starting kindergarten can be a trying time for many students. One of the main dilemmas for a small child is ownership of 'their' things. By having all the same items, the students do not have this dilemma.

The kindergarten teachers have put much time and thought into the supplies that they purchase. Longevity, brightness of color and making it easier for the students are the main components for their choices in supplies.

Please **do not** purchase supplies for your kindergarten child. All your child will need is a **large backpack** to carry home all the wonderful things they make in school and **tennis shoes** for gym!

HAVE FUN BUYING A LARGE BACKPACK WITH YOUR KINDERGARTENER!!!!

All of the supplies your kindergarten child will need are purchased at Parkview in September on Registration day. These supplies are kept at school and distributed as needed by your child's teacher
