

Tier II: Standard Protocol

*Progress Monitoring Data Available on AIMSweb

Please check interventions being implemented at the supplementary level, Tier II. Progress monitoring will occur every two weeks (except for Study Skills). Progress monitoring data is stored on AIMSweb. Please check progress every six weeks and record the outcome of the intervention. For each progress check, record the date and the decision to:

Continue: Continue with the intervention because progress has been shown.

Change: Change the intervention because progress is not being shown.

Add: Add another level of intervention because more progress is needed.

Monitor: Monitor for exit because the student is demonstrating proficiency.
