## Kindergarten Enrollment 2019 - 2020

---

The public elementary schools in Chippewa Falls are beginning to plan for kindergarten for the 2019-2020 school year.

Children turning five years old on or before September 1, 2019, and who will be entering kindergarten in the Chippewa Falls School District for the 2019-2020 school year, and **are not** enrolled in the Chippewa Falls BB4C, need to enroll.

Students who attended a BB4C program in the **2017-18** school year, but did **NOT** attend kindergarten for this current school year, will also need to enroll.

**\*Current BB4C families will be contacted separately\***

If your child isn't a current BB4C student, please visit the Chippewa Falls Area Unified School District website at: <http://cfsd.chipfalls.k12.wi.us/> and click on the Enroll Online Tile.

If you do not have internet access, please contact the school district registrar at (715)720-1850, or visit the administration office located at 1130 Miles Street, Chippewa Falls, WI or visit your child's school of attendance. Laptops and guided registration support will be available for use at these locations.

Letters will be sent mid-April to families with children presently enrolled in a BB4C program as well as to others who have enrolled online before that date, to attend a kindergarten preview session at your child's school, in the Spring.

The Kindergarten preview session will give your child the opportunity to try some Kindergarten activities and to meet staff members at the school he or she will attend.

We look forward to meeting all of our newest members of the Chippewa Falls Area Unified School District!
