AP Seminar
English Department Teacher Recommendation Form

Current 9th grade student:
Name______________________________________________________

AP Seminar (replaces regular English 10A/B).
AP Seminar requires motivated students who are able to handle a heavy workload. The class includes research, presentations, and group work. If students receive a passing score on the AP Seminar exam, they may be eligible for college credit. There is a summer assignment required for enrollment. If the assignment is not completed, the student will be dropped from the course.

The above freshman student has my recommendation to enroll in AP Seminar. If demand exceeds space available, a lottery selection process will take place.
The student understands that once he/she is enrolled in the digital portfolio, he/she is responsible for the AP Seminar exam.
